SABIN ANTONY

UI/UX Designer and Front-end Developer

I am a UI/UX designer with 7+ years of experience in Mobile apps and websites. Currently working in Danat FZ LLC Dubai.

I AM SEEKING

A career with a progressive organization where I can utilize my skills, knowledge, and experience as a Web and Mobile App Designer and front-end Developer.

EXPERIENCE

March 2014 - Present

UI/UX Designer and Front-end Developer

Danat FZ LLC Dubai - Owned by Argaam.com

Argaam (www.argaam.com) is the leading financial Data provider in GCC, Focused on business and financial news, reports and feeds on GCC financial markets.

Websites : argaam.com, akhbaar24.argaam.com

Mobile Apps : argaam, akhbaar24, SRMG IR App

- Communicating with project coordinators and seniors, gathering clear business requirements and delivering designs on time.
- Designing Mobile Apps for Argaam, Akhbaar and other Clients. Generating wireframes, interactive prototypes and UI design mockups (XD, Sketch).
- Designing Projects and Developing the Front-end coding (HTML/CSS/Sass/Javascript) to production, with guaranteed browser compatibility.
- Completed HTML conversion of a new project, using CSS Grid. It helps to make it responsive easily.
- Worked with Back-end developers and QA to ensure successful implementation of all designs.
- Finding new Front-end technologies and apply them on the projects and ensure the project code is always up to date.
- Discuss new concept about design with the team. Contribute and Received ideas.
